

Who Should Take It?

Are you interested in learning more about your faith?

Have you ever been in a situation in which you wanted to stand up for your faith but were not sure how to articulate the Church's teachings?

Would you like to be a stronger Catholic Witness in everyday life?

THEN THIS COURSE IS FOR YOU!

Catholic Theology Certificate Program

The Church exists to evangelize. In our contemporary situation, the need for evangelization is acute. Not only must the Church carry the message of the Good News of Jesus to those who have never heard of him, but she must also *evangelize the baptized* who have never experienced the life-changing power of Jesus.

A person receiving the Certificate is acknowledged to have a solid foundation in the faith and important skills in articulating Catholic truths and sharing them with others. The program provides solid and organic faith formation. It is directed by Drs. David and Angela Franks.

Learning will be supported by a small-group community experience. Participants will be invited to a catered dinner once a month.
