**WHERE:** Pastoral Center  
Archdiocese of Boston

Registration will be from 9:15-9:45 AM to guarantee a prompt start to the program at 9:45 AM.

### About the workshop:

The Archdiocese of Boston has established an initiative to promote and educate our faith community about palliative care for people of any age who are diagnosed with serious illness. (Palliative care is not just about care of the dying.)

We hope to develop informational resources in every parish or collaborative community. These resources include materials and toolkits about palliative care and advance care planning, but most importantly, we would like to have groups of people – human resources! – available in each faith community who know something about this wonderful service who can answer questions and point people in the right direction when they need to access it.

If you have previously done the workshop, but have decided you may be interested in being a resource person for your parish/collaborative OR you would like to be one of the volunteer trainers, PLEASE feel free to come again to the workshop!

*Nurses: This activity has been approved by the American Nurses Association Massachusetts to award contact hours. The American Nurses Association Massachusetts is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.*

### IMPORTANT TO NOTE:

Your attendance at this workshop does NOT automatically commit you to being a trainer in your parish or collaborative, but it will qualify you to do so, if you are interested.

**RSVP required!! Please send your response by 27 September 2016**
