# Investment Management Oversight

- The Investment Committee of the Archdiocese Finance Council is responsible for the investment policies of the Investment Funds and oversight of the investment portfolio.
- This Committee is comprised of independent investment professional volunteers with significant experience in the investment management industry.

The Committees members are:

- Robert J. Morrissey, Esquire, Chair; Partner, Morrissey, Hawkins & Lynch
- Charles Clough, Jr.; Chairman & CEO, Clough Global
- Stephen M. Dufour; Portfolio Manager, Fidelity Investments
- Michelle A. Knight; Chief Executive Officer and Chief Economist, Ropes Wealth Advisors
- James J. Mahoney, Jr.; Mahoney Investments.
- John Zona, Ph.D.; Chief Investment Officer, Boston College

# Investment Managers & Advisor

- The underlying investments of the Investment funds are allocated to 20 investment managers across a range of disciplines. Managers are selected based on their area of expertise to carry out the investment direction of the Committee.
- Investment managers are regularly added to and removed from the portfolio based upon performance and overall investment direction.
- The Archdiocese engages an investment consultant, MPC Capital Advisors, to assist with performance monitoring, asset allocation, and the selection process for investment managers.

# Ethical Investment Principles

- The Investment Funds recognize that it is critical for the investment strategy of the Investment Funds to correspond with the ethical values of the Catholic Church teachings. Accordingly, the Investments Funds follows the guidelines of the United States Conference of Catholic Bishops “USCCB” to invest in companies consistent with Catholic teachings.
- Principles to investment practices address:
  - Protecting Human Life
  - Promoting Human Dignity
  - Enhancing the Common Good
  - Pursuing Economic Justice
  - Saving our Common Home
- A portion of the portfolio may be managed to align with and/or promote the intended positive outcomes of the USCCB investment policies, emphasizing wherever possible those outcomes that most closely align with the mission to build a just and compassionate society rooted in the dignity of all people with the context of the overall risk/reward opportunity, prudent investment standards and the context of overall portfolio construction.

# Common Investment Fund (CIF) & Collective Investment Partnership (CIP) background

- In 1970 the Common Investment Fund (CIF) was established as a commingled vehicle for equity and fixed income investments. CIF investing is available to RCAB Parishes, Schools, Cemeteries and related organizations.
- In 1995 CIF formed a partnership with the RCAB Lay Pension Plan and Clergy Funds to collectively pool each institutions investments. The new pooled investment vehicle is referred to as the RCAB Collective Investment Partnership (CIP).
- CIF invests substantially all of its assets in CIP.

# Recordkeeping, Fees & Expenses

- Fees incurred by the investment funds include fees for investment managers & advisors, bank custody fees as well as fees incurred for RCAB administrative, accounting, technology and clerical services performed on behalf of the investment funds.
- Typical ratio of investment manager expenses to average net assets (expense percentage of the value of investments) are:

FIF: 0.19%	IOF: 0.60%	CIP: 0.80%
------------	------------	------------
- The investment funds mail participant investment statements by the 15<sup>th</sup> business day of the following month. Statements are also available via a portal also containing historical account data.
- CIF and CIP are audited on an annual basis by an independent public accounting firm, Grant Thornton LLP. FIF and IOF annual audits were implemented beginning with the prior fiscal year. Historical audited financial statements are available at [bostoncatholic.org](http://bostoncatholic.org).

# Purchases and Redemptions

- Subscriptions to, and redemptions from, the investment funds can only be made on the first business day of each calendar month. Notification of a request for redemption or purchase should be received by the Investment funds no later than the 15<sup>th</sup> day of the month preceding the transaction date.
- As a matter of policy, CIF distributes one percent (1%) of its net assets to its members at the end of every calendar quarter. All members receive a distribution to their account, but individual members can elect to either receive cash or to reinvest the distribution back into CIF on the first day of the following month.
