INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Marian High School, Inc.
273 Union Avenue
Framingham, MA 01702

We have audited the accompanying consolidated statements of financial position of Marian High School, Inc. and its affiliate as of June 30, 2007 and 2006, and the related consolidated statements of activities and changes in net assets, and cash flows for the years then ended. These consolidated financial statements are the responsibility of the corporations' management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the corporations' internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinions.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Marian High School, Inc. and its affiliate as of June 30, 2007 and 2006, and their changes in net assets and their cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The Consolidated Schedules of Expenses and Consolidating Worksheets are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic consolidated financial statements and, in our opinion, is fairly stated in all material aspects in relation to the basic financial statements taken as whole.

Marian High School, Inc.
Notes to Consolidated Financial Statements
June 30, 2007 and 2006

Note 1 - Nature of Organization

Marian High School, Inc. a nonprofit corporation, was incorporated in the Commonwealth of Massachusetts on February 4, 2004 and is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code. The school is an independent organization providing educational instruction consistent with the education mission of the Roman Catholic Church, the Roman Catholic Archdiocese of Boston and the Roman Catholic Archbishop of Boston for students in grades nine through twelve.

Development of Marian Education, Inc. (DOME), an affiliate, was incorporated as a not-for-profit corporation in 1984 to advance the cause of education at Marian High School and to establish a mutually beneficial relationship between Marian High School and its alumni. DOME is included in these consolidated financial statements and all material inter-company accounts and transactions have been eliminated.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

Support that is restricted by donors is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Accounting Method

These Consolidated Financial Statements have been prepared on the accrual basis and the presentation follows the requirements of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organization. Under SFAS No.117, the School is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The classifications used by the school are defined as follows:

Unrestricted Net Assets - Assets and contributions that are not restricted by the donor or for which restrictions have expired.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the High School. Generally, the donors of these assets permit the High School to use all, or in part, of the income earned on related investments for general or specific purposes.

In addition to classifying the net assets as indicated above, DOME also maintains its books and records on the principles of fund accounting. This is to insure observance of limitations and restrictions placed on the use of the resources available.

Marian High School, Inc.
Notes to Consolidated Financial Statements
June 30, 2007 and 2006

Note 2 - Summary of Significant Accounting Policies - Continued

Use of Estimate

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could vary from the estimates that were used.

Compensated Absences

The School has not accrued compensated absences since no amount can be carried over from year to year.

Cash and Cash Equivalents

The School considers all highly liquid investments with a maximum of three months or less when purchased to be cash equivalents. At June 30, 2007 and 2006, the School had amounts on deposit with banks in excess of the federal deposit insurance limits in the amounts of \$400,141 and \$434,430 respectively. At June 30, 2007 and 2006, amounts on deposit with registered investment companies that were uninsured amounted to \$625,696 and \$538,400.

Accounts Receivable

The School considers accounts receivable to be due in two equal installments prior to July 1st and November 1st of this year. Amounts collected for the school years before the commencement of that academic period are recorded as current liabilities. The School considers its accounts receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Note 3 - Pension Benefits

The School has a contributory tax-sheltered annuity plan covering substantially all full-time personnel who have completed one year of service. The School makes no matching contribution relating to this plan.

The School also participates in the Pension Plan of the Roman Catholic Archdiocese of Boston. This plan is non-contributory. Substantially all full-time personnel participate in the non-contributory plan. Employees become covered as participants on the first day of the first month next following the earlier of (i) completion of three years of service or (ii) attainment of age 21 and completion of either 1,000 hours of service during the first twelve months following date of hire or one year of service. Employees become fully vested upon completion of five years of service.

Note 4 - Due to Affiliated Scholarship Fund

Amounts have been received by Marian High School, Inc. that have been designated as amounts due to related scholarship programs. Such amounts are recorded as current liabilities.

Marian High School, Inc.
Notes to Consolidated Financial Statements
June 30, 2007 and 2006

Note 5 - Income Taxes

Marian High School, Inc. is a not-for-profit organization that is exempt from income taxes under section 501(c)(3) of the Internal Revenue Code. The exemption is on all income except any unrelated business income as may be earned from time-to-time. Internal Revenue Code section 513(a) defines an unrelated trade or business of an exempt organization as any trade or business which is not substantially related to the operation of the School's exempt purpose.

Note 6 - Property and Equipment

Property and equipment are recorded at cost. Depreciation and amortization are computed using straight-line and accelerated methods over the related assets' estimated useful lives, ranging from 5 to 31 years.

Note 7 - Financial Aid

Tuition and fees reflect the High School's gross nominal tuition rates for all students. Financial aid is reported as a reduction in gross tuition and fees.
