DESCRIPTION: The Trust was set up to provide medical and dental benefits for the employees of the Archdiocese of Boston and affiliated organizations. Both the medical and dental plans are self-insured. Tufts Health Plan administers the medical plan and MetLife administers the dental plan. There are approximately 3200 members enrolled in the dental plan. Not all members are employed by the Archdiocese. The majority are employees of the parishes, parish schools, central administration, the seminaries, Cemetery Association, and BCTV as well as other participating Catholic institutions within the Archdiocese of Boston.  
There are approximately 8500 members enrolled in the medical plan. Almost 60% are employees of Caritas Christi. The other 40% are the employees named above.
