Dear Fellow Parishioners:

The Parish through its duly appointed Finance Council is required by the Archdiocese to report on the financial condition of the Parish on a yearly basis. The report below is a financial summary of the past year. The Parish operated at a significant loss for the year. Our FY14 Offertory Increase initiative was successful but this increase was offset in FY15 by a decrease in weekly attendance. We are diligently working on solutions and will keep you updated.

The Parish continues to be a viable and welcoming community and the giving of the active members is very impressive. Thank you!

A member of the Finance Council will speak for a few minutes at the end of each Mass next weekend. They will also be available after Mass in the gathering space. If you have any questions or comments in the meantime, please contact Denise Comeau at the parish office and she will have a finance team member contact you directly.

Yours in Christ,
The Parish Finance Council
