INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Fund for Catholic Schools, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of The Fund for Catholic Schools, Inc. (a Massachusetts corporation, not for profit), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Fund for Catholic Schools, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

June 30, 2015 and 2014

NOTE A - NATURE OF ORGANIZATION

The Fund for Catholic Schools, Inc. (the “Fund”) was organized under Massachusetts law on March 10, 2008. The purpose of the Fund is to aid, support, and enhance Catholic education within the Archdiocese of Boston (the “Archdiocese”). The Fund receives, manages and distributes gifts and bequests on behalf of various Catholic schools within the Archdiocese.

Boston Catholic Development Services (“BCDS”), the fundraising arm of the Archdiocese of Boston, is responsible for all fundraising and development efforts for the Fund. In exchange, the Fund is assessed contributed services fees as determined by specific expenses incurred by the Fund and a flat-fee for a portion of the combined incurred expenses.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Fund’s financial statements have been prepared in accordance with generally accepted accounting standards and principles established by the Financial Accounting Standard Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Financial Statement Presentation

The Fund classifies net assets and the changes in those net assets based on the existence or absence of donor-imposed restrictions, either explicit or implicit. Accordingly, net assets of the Fund and changes therein are classified and reported as follows:

Unrestricted net assets - Assets and contributions that are not restricted by the donor or for which restrictions have expired.

Temporarily restricted net assets - Net assets subject to donor-imposed restrictions that permit the Fund to use or expend the donated assets as specified and which are satisfied by either the passage of time or by actions of the Fund.

Cash and Cash Equivalents

Financial instruments with original maturities of three months or less at the purchase date are classified as cash equivalents.

The Fund deposits the majority of its cash balance with the Revolving Loan Fund of the Corporation Sole. These deposits are not insured against losses. They are available for withdrawal on a daily basis. The Fund does not earn interest on those accounts.

Contributions

Unconditional promises to give are reported as contributions receivable at net realizable value on the date the promise is verifiably committed. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value and those that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using the Fund's average borrowing rate. Amortization of discounts is classified as contributions revenue. Conditional promises to give are not included as support until the conditions are substantially met. There were no conditional promises to give at June 30, 2015 and 2014.

Contributions received by the Fund are recorded as revenue and are for Catholic schools within the geographic territory of the Archdiocese. The Fund and these ultimate beneficiaries meet certain criteria under U.S. GAAP standard for "*Transfers of Assets to a Not-for-Profit Organization or Charitable Trust that Raises or Holds Contributions for Others,*" permitting the Fund to recognize all contributions received as revenue.

The Fund reports gifts of cash and other assets as restricted support if they are restricted as to purpose or time. When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities and changes in net assets as net assets released from restrictions (see Note E).

Allowance for Uncollectible Accounts

The allowance for uncollectible accounts is determined to approximate the portion of contributions receivable which will not ultimately be collected. The estimate made by management is based on a review of overdue accounts and projected total future collections based on historical experience. The allowance represents an estimate and actual uncollected pledges may vary significantly from the amount currently recorded with adjustments to be recorded in the period they become known. Contributions receivable are written off based either upon donor cancellation or a time lapse without donor activity. During fiscal year 2015, the allowance for uncollectible accounts decreased by approximately \$130,000 based on recovery of amounts previously deemed uncollectible. The allowance for uncollectible accounts was \$119,965 and \$252,579 as of June 30, 2015 and 2014, respectively.

Expense Allocation

Expenses related directly to a function or program are distributed to that function or program, while other expenses are allocated based upon management's estimate of the percentage attributable to each function or program.

Grant Expense

Grants are recorded when awarded by the Fund and all conditions of the grant are met by the grantee. Grants are generally paid in the year awarded. Grants payable have been committed but not yet paid. All grants payable are expected to be paid in full during fiscal year 2016.

Concentrations

The Fund's financial instruments that are subject to concentrations of credit risk consist primarily of cash, cash equivalents, and contributions receivable. The Fund places cash and temporary cash investments in high-quality credit institutions and the Corporation Sole. At times, such deposits may exceed FDIC limits (see page 8).

For the year ended June 30, 2015, the Fund's total revenue included approximately 10% of funds from one donor. For the year ended June 30, 2014, the Fund's total revenue included 35% of funds from the one donor. See Note C for concentrations of pledges receivable.

Income Taxes

The Fund is included in the United States Conference of Catholic Bishops Group Ruling and in the Official Catholic Directory and is therefore exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and is not required to file informational or income tax returns. Accordingly, no provision for income taxes is included in these financial statements. The Fund's management has reviewed the tax positions as of June 30, 2015 and 2014, and determined that no provision for income tax is required in these financial statements.

Fair Value Measurements

ASC Topic, *Fair Value Measurements*, establishes a framework for measuring fair value and expands disclosures about fair value measurements. This guidance only applies when the fair value measurement of assets and liabilities is required or permitted. The Fund has determined that none of its financial or nonfinancial assets or liabilities is measured at fair value, therefore, the disclosure requirements do not currently apply.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the allowance for uncollectible accounts, discount on pledges receivable, and revenue recognition for restricted awards. Actual results could vary from those estimates.

Subsequent Events

Subsequent events have been evaluated through March 30, 2016, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

NOTE G - RELATED-PARTY TRANSACTIONS

The Corporation Sole and BCDS provide administrative support to the Fund. The Corporation Sole advances monies to the Fund to assist in the payment of operating expenses. As of June 30 2014, the Fund owed the Corporation Sole \$28,109 for these operating advances. As of June 30, 2014, the Corporation Sole owed the Fund \$54,400 for a pledge the Corporation Sole received on behalf of the Fund. During the years ended June 30, 2015 and 2014, the Fund paid service fees of \$838,588 and \$888,482, respectively, to BCDS. As of June 30, 2015 and 2014, the Fund owed BCDS \$633,879 and \$406,791, respectively, for operating expenses incurred during the fiscal year.

Amounts recorded in contributions revenue are amounts raised by the Fund on behalf of donor-specified Archdiocese schools. Distributions to the specified schools are recorded as expenses upon payment of these amounts. Amounts paid are based on actual cash collections associated with the underlying pledges and gifts raised on behalf of the specified schools. The Fund also makes other appropriations from general contributions to Catholic schools in Brockton, Dorchester, and South Boston, Massachusetts.

NOTE H - CAMPAIGN OPERATIONS

In 2008, the Fund launched campaigns to fund capital and operational improvements for Archdiocese schools in Dorchester, Brockton, and Gloucester, Massachusetts. An additional campaign was added for South Boston in 2009 and was completed in 2010. In 2013, the Gloucester School was closed. The capital and operational improvements completed in Dorchester and Brockton, Massachusetts have been partially financed with temporary borrowings from the Archdiocese. Operational plans going forward include the collection on current pledges and continued development activities. Management believes that the current and long-term fundraising goals, along with current pledge payment cash flow projections, will be sufficient to fund operations, repay the temporary borrowings, and complete the current capital improvements in Dorchester-Lower Mills. As future capital and operational fundraising requests are received by the Fund, fundraising campaigns will be developed to support these additional activities.

NOTE I - NET ASSET TRANSFER

During the year ended June 30, 2015, scholarship endowments of \$209,552 were transferred from the Fund to the Catholic Community Fund, a related organization, which is also under the control of the Archdiocese. These net asset transfers are reflected in the accompanying statement of activities and changes in net assets.
