The Global War on Christians
Dispatches from the Front Lines of Anti-Christian Persecution

A book by John L. Allen, Jr.
CNN and NPR reporter, journalist for NCR

Book presentation and signing
7 p.m. Thursday, October 31
St. Mary Church, 133 School Street, Waltham

The evangelical Christian group Open Doors estimates that 100,000,000 Christians worldwide currently face interrogation, arrest, torture, and death because of their religious convictions. Protestant scholar Todd Johnson of Gordon-Conwell Theological Seminary estimates that 100,000 Christians were killed each year from 2000 to 2010 on the basis of religious hatred. The violence is targeted at evangelical, mainline Protestant, Anglican, Orthodox, Roman Catholic, and Pentecostal Christians.

“This book is about the most dramatic religion story of the early 21st century, yet one that most people in the West have little idea is even happening,” writes John Allen. “Christians today indisputably form the most persecuted religious body on the planet, and too often its new martyrs suffer in silence.”

Welcome to Saint Mary Parish
and please come again!
My brothers and sisters in Christ,

This weekend we present our annual financial report to the parish for the fiscal year July 1, 2012 through June 30, 2013. The total income for the parish was $645,360 and the total expenses were $635,479, leaving a small surplus of $9,881. This is very good news for the parish as we took on an increase of expenses with the implementation of the After School Program. Due to your steady and generous giving and our watching of expenses, we are able to say that the parish fulfilled its fiscal responsibilities this past year. The report on the following page only records income and expenses for the parish. It does not include donations to other recipients such as St. Vincent de Paul or St. Peter’s Church in Haiti, even though the monies are collected through St. Mary’s. Here is a recap:

**INCOME:** The parish report shows a slight increase in the weekly offertory. Some of this can be attributed to the addition of the weekly 1:30 PM Mass in Luganda. We were also helped by an increase of gifts and bequests from wills. We encourage anyone making out a final will and testament to consider contributing to St. Mary’s. Last year we asked all groups using space on a regular basis to increase their donations to the parish. This has resulted in a small increase. Almost every line item in the income section shows an increase. Many thanks for your stewardship and support.

**EXPENSES:** The major increase in expenses comes from the addition of paid staff members for the After School Program. Most other expenses have increased slightly or stayed at past spending levels. Our electricity costs were cut in half when we started using LED bulbs in the Church. That is over a $2,000 savings. Improvements and furniture costs were cut in half, although we still spent money on many one-time expenses associated with starting the After School Program. Last year we were able to double the amount of charity donated to people in need.

**PLANS:**
The Parish Finance Council suggested we develop ways to educate all of the parishioners on the costs associated with the parish. They suggested this be done in the different languages. We talked about setting up a separate budget for the After School Program. We have spent a great deal of money improving and maintaining our parish plant. We are now starting to reap the benefits of these projects, although upkeep is always on going. We need to repave and rebuild parts of the parking lot and walkways – hopefully beginning soon. We also need to explore the possibility of increasing the pay of some our staff members to adjust their salaries to inflation. Besides all of this, we will continue the strategy of paying our bills, investing in our youth and property maintenance, and giving to charity and those in need. Many thanks for your continued stewardship. Please do not hesitate to make suggestions about the finances of the parish to me or to members of the Finance Council. Father Michael

**ST. VINCENT de PAUL**
In this Sunday’s Gospel, the tax collector’s prayer allows God to be God and so allows God to pour mercy into his heart. When we pray and give alms to the poor, we allow God’s mercy to be poured into their hearts.

This month and throughout the year, through your gifts, the St. Vincent de Paul Society will bring the love and care of Jesus to the poor and lonely as we see and assist families by providing food and help with their utility and rent bills.

Thank You!

*For the grace to love those who are despised and rejected, Lord, hear our prayer. For the grace to serve those who need our compassion and mercy, Lord, hear our prayer. For the grace of humility and honesty, Lord, hear our prayer. Amen*

**KNIGHTS OF COLUMBUS TOOTSIE ROLL DRIVE**
After Mass the Knights of Columbus will be accepting donations to benefit people with intellectual disabilities. Tootsie Rolls will be given out as a thank you to donors.

HOLY DAY OF OBLIGATION – NOVEMBER 1
The great Feast of All Saints Day is upon us. The church calls us to come together to remember all the saints, both recognized and known only to God and the other angels and saints. Mass times are as follows on Friday, Nov. 1.

- St. Charles - 7:30 AM
- St. Mary - 12:10 PM
- St. Charles - 7:00 PM
- St. Mary - 7:00 PM (Spanish)
- St. Mary - 8:00 PM (Luganda)

ATTENTION 8 AM MASS CROWD
Are you ever curious about your fellow worshippers at the 8 AM Mass? Do you think it might be good to at least know their names? I know that traditionally Catholics who attend the early Masses are not the most social bunch at that time of day. I appreciate this because I am not a morning person. Yet as the priest, I get to know a lot of you and know that there are a lot of great personalities at this Mass. So we would like to invite everyone who attends the 8 AM Mass to breakfast in the rectory on November 10. (This means that certain regulars who leave Mass early will have to stick around that day). I know that many of you have your Sunday rituals and routines. For one Sunday a year – break it up; shake it up. I promise I won’t ask again for another year. More information to follow.

FATHER ED MCLAUGHLIN R.I.P.
Last week I attended the funeral of Fr. Ed McLaughlin at St. Thomas Aquinas Church in Bridgewater. He had spent his recent retirement years at that parish but he never retired. I briefly lived in the same rectory with him before I was assigned to Saint Mary’s, so I know firsthand that he spent long hours walking the corridors of South Shore Hospital visiting the sick. Oftentimes people mention kind things about a person only after he has died; yet people were saying kind things about Fr. McLaughlin long before he died. When I first arrived at St. Mary’s, parishioners repeatedly asked me if I knew Fr. McLaughlin. They would tell me how Father McLaughlin encouraged them to serve in some particular role, or how he helped them bring a family member back to the church. Of course, he was different. Nobody would deny that! Yet his love for the Lord extended to loving others and many people loved him for that! The 12:10 Mass on Friday, November 1 will be offered for the repose of his soul. Please spread the word. May he rest in peace.

ON THE RADIO: AFTER SCHOOL PROGRAM
Recently Saint Mary’s After School Program was featured on Boston’s daily Catholic radio program The Good Catholic Life. Jennifer Acuña and Father Michael were interviewed by Scot Landry and Michael Lavigne. If you missed the broadcast, you can catch the playback online at: http://www.thegoodcatholiclife.com/2013/10/09/st-marys-school-program-program-0595-wednesday-october-9-2013/

SEMI-ANNUAL APPEAL
Thanks to everyone who made a contribution to the Parish Semi-Annual Appeal. So far we have collected $16,256. It’s still not too late to contribute if you have not done so. You can drop it in the collection basket or mail it into the Rectory. Thank you for your continued stewardship of the parish.

VOLUNTEERS FOR AFTER SCHOOL PROGRAM
Please consider joining us in the After School Program to help children with their homework. The homework time is from 3:00-4:15 PM, and you may volunteer one day a week or more if you’d like. You don’t need teaching experience to do this volunteer work. The children benefit greatly from having someone to guide them through getting their homework done. The volunteers benefit not only from serving the Lord in this way, but also from the sense of community they form with the other adult volunteers. If you would like to join us, please contact Susan Brennan at 781-577-2262 or stmarywaltham@gmail.com.

CHRISTMAS WREATHS - BOY SCOUT TROOP 248
Members of Boy Scout Troop 248 are selling Christmas wreaths to raise funds to support troop activities throughout the year. The wreaths are fresh and beautiful and available in three varieties. Liam O’Callaghan will be available after Mass to take your orders this weekend, or you can call Liam at 781-893-3970 to place an order. Please note that your order will be delivered to your home, and not picked up at St. Mary’s. If necessary, please contact Liam directly; do not call the rectory office about this.

PLEASE DONATE FOOD FOR THOSE IN NEED
Our St Vincent de Paul pantry is in need of donations of NON-PERISHABLE food items, including canned meat, pasta, cereal, and laundry detergent. Your donation will provide recipients with a bag of these items to supplement the food vouchers we also provide. Please leave your donations in the baskets at the back of the church. Many thanks. For I was hungry and you gave me food, I was thirsty and you gave me drink... (Mt 25:35)

THANK YOU
Last August a group from Boston participated in a mission trip to Kentucky. Many of you supported this mission through your prayers and by giving donations. We received the following note of thanks for your generosity:

Dear St. Mary’s Community,
Thank you so much for your generous response to our collection of toiletries and donations to benefit the people of Martin County, Kentucky – the third poorest county in the U.S. God worked out the timing of these gifts perfectly, as their supply was critically low upon our arrival. We made sure that our team knew about your generosity, and we prayed for all of you throughout our entire work week. May God bless you for your kindness.
