You enter this church... not as a stranger, but as a guest of God. He is your heavenly Father. Come, then, with joy in your heart and thanks on your lips into His presence, offering Him your love and service. Be grateful to the strong and loyal ones who, in the name of Jesus Christ, built this place of worship, and to all who have beautified it and hallowed it with their prayers and praise. Ask His blessing on those who love His house of faith as the inspiration of their labor, rejoicing in the power of the Holy Spirit, and may that blessing rest on you, both on your going out and your coming in.

*Various Parish Charities* does not include the Society of St. Vincent de Paul which has a separate bank account and Annual Report.
My brothers and sisters in Christ,

I am pleased to present the financial report for our fiscal year that ended June 30, 2015. The total income for the year was $880,734 while expenses added up to $875,701. This left a net profit of $5,033. This is good news for the parish. We paid all our bills.

We continued to make improvements to the physical plant. We were able to increase our charitable donations. Your continuous and steady donations and gifts make it possible to continue our mission to preach God’s love and mercy in word and in deed.

The current report shows that the fiscal health of the parish continues to be stable but fragile. The Sunday collection was flat compared to last year. Considering the winter we had, making it almost impossible to get to Church, I think this is very good news. The Holy Day collections were down by 10%. Again, considering that two of the regular Holy Days fell on a weekend and were not considered Holy Days of Obligation leads me not to worry about the drop.

**One area of concern is the SEMI-ANNUAL APPEAL.** This has dropped by 19%. The parish has always divided up an annual appeal into two collections (one in October; the other in April) to help people spread out a donation. One of the main reasons for this drop is the death of a number of faithful parishioners who gave generously to the semi-annual collection. We are asking everyone, especially newer parishioners, to consider making a generous donation for next weekend’s Appeal and the one in April. The owner of the snowplow company has already told me that he needs to raise the rates for this winter; the electricity rates are through the roof, and we always have to budget for a cold winter especially after the last two. **THANK YOU FOR CONSIDERING MY REQUEST FOR THE OCTOBER SEMI-ANNUAL.**

**INCOME:** We received an increase in the number of gifts and bequests. Some of those were donated for specific purposes such as charity or for specific repairs. Many thanks for the parishioners who included St. Mary’s in their wills. Making a donation to the parish after death is a great act of generosity. We encourage everyone to consider including St. Mary’s in your will. Last year we received donations from the wills of John Hefflin, Jeanne Anne Mahoney and Barbara MacLellan. Many generous people and foundations from outside and inside the parish made donations directly to the After School Program. We would not be able to continue having the children at the parish 5 days a week without that support. The line item for various parish charities includes St. Peter’s Church in Haiti, Milagros de Fe Cancer group, Project Only A Child Mission in Guatemala, and Uganda Mission. The Catholic Appeal Rebate shows the reimbursement to the parish since we surpassed our assessment from the Archdiocese. Thank you!

**EXPENSES:** We are always watching expenses and seeing where we can cut costs. The big costs were major roof repairs due to storm damage, fixing and rescaling the parking lot, organ repairs and fixing the damage to the rectory caused by broken pipes. Money has been spent beginning the process of making new kneelers for the back of the church. Charitable expenses jumped greatly due to a desire of parishioners to give for all sorts of needs. **(THANK GOD)**

**EXPENSES IN THE COMING YEAR:** We foresee a number of major expenses in the coming year. Some money has already been donated for new front doors for the Church. We are currently in the process of taking bids. We want to improve some aspects of the lighting and sound system. The church is a hard one to light and provide sound for, but we do not want to give up on making it better. The church bathroom floor needs to be retiled. Our office computers had to be replaced and our antiquated phone system is near death. Fences and railings have been damaged by falling tree limbs and snowplows. The hail storm broke many of the stained glass windows in the church. Even with insurance, we will still incur costs with these repairs.

Thanks for the support of all of you and the members of the Finance Council. If you have any questions or ideas, please do not hesitate to speak to me. I rarely speak to you about money because my goal is not to make us a rich parish. As Jesus said to the disciples in today’s Gospel, *How hard it is for those who have wealth to enter the kingdom of God!* (Mk 10:23) Yet I also want us to be responsible stewards for what we have inherited from our ancestors in the faith and remind you to show gratitude for all the blessings that God bestows on us by giving in return to Christ’s Church. - Fr. Michael

READINGS FOR THIS WEEKEND
Twenty-Eighth Sunday in Ordinary Time / B 660

ON THE BULLETIN COVER
Before he was a monk, Francis had a peculiar dream while sleeping. In the dream, God revealed to Francis a marvelous palace filled with military weapons branded with crosses. Francis asked for the meaning of the vision and God explained that one day the palace would be for him and his knights. Francis awoke in the morning and assumed that the dream was a sign of future greatness for him. He decided to join a military unit in hopes of achieving knighthood as a way to help fulfill the dream. He was not able to read deeper into the vision and realize God’s far more extraordinary plan for his life.

DOES WALTHAM PROMOTE HEALTHY AGING?
WHAT DO UGANDANS THINK?
What do older (age 60+) members of the Ugandan community who live in Waltham think about this question? Professor Walter Leutz from Brandeis University and his research team of older adult residents of Waltham are conducting a study to answer this question, by interviewing different groups of older adults. To hear your views, Father David Ssentamu has graciously agreed to our organizing a focus group of six to eight older Ugandan residents of Waltham after Mass on Sunday, October 18. The focus group, which will take approximately one hour, will be an informal and confidential discussion of three questions:
1. How does Waltham help older adults to stay healthy and “age well”?
2. How could Waltham do better?
3. What do older adults in Waltham do to stay healthy themselves and to foster a healthy community?

If you are interested in taking part in the focus group, please contact Professor Walter Leutz at leutz@brandeis.edu, or at 781-862-6336, and let him know that you would like to participate. There will be a small gift for all participants. We hope you can join us!
Queridos hermanos en Cristo:

Nuevamente los Caballeros de Colón junto con otros voluntarios ayudaron a cocinar y servir hot dogs el domingo pasado, después de la Bendición de los animales que presidió el Padre Michael. La verdad fue una grata sorpresa ver que muchas familias trajeron sus mascotas a la parroquia, a pesar de los pronósticos del tiempo, del viento y el frío, disfrutamos un fin de semana recordando a San Francisco.

El Padre Michel nos contó la historia de la liberación de dos palomas que San Francisco compró a un joven que las llevaba a vender, me recordó una estatua de San Francisco en Asís que tiene un nido en sus manos y dos palomas reales que se turnan para estar en el nido con Francisco.

San Francisco sigue inspirando a muchos el día de hoy, hasta el Papa ha tomado su nombre. Es el patrón de todos que luchan por la preservación del ambiente y aún tiene muchos seguidores que protegen y cuidan los Santos Lugares en Tierra Santa. Ojalá hayan tenido tiempo de ver la exposición de las reproduciones sobre la vida de San Francisco que nos ayude a apreciar la humildad y el amor a Dios y a la creación, a respetar el ambiente y especialmente la preservación de la humanidad, el respeto a la vida y la dignidad de las personas. Dios los bendiga.

– P. Agustin
